

International coordinating council  
for physics of strength and plasticity of materials  
Saint Petersburg State University  
OOO "Alpha Technologies"

The second conference

## "Shape memory alloys"

85th anniversary  
of **Prof. Vladimir Likhachev**

**September 20-23, 2016**

**Saint Petersburg, Russia**

### *The first announcement*

The conference is restored conference in shape memory alloy which was held in different cities of Soviet Union in 80 – 90 years of the twenty century – Kiev 1980, 1991, Voronezh 1982, Tomsk 1985, The Great Novgorod 1989, Kosov 1991, Saint Petersburg 1995. The first restored conference was held in 2014 in Vitebsk (Belarus) and the invited lectures of the leading scientists were published as chapters of collective monograph "Shape memory alloys: properties, technologies, opportunities" (Materials Science Foundation, 2015, Vol 81-82). The second conference will be held in 2016 (September 20-23) in Saint-Petersburg.

#### **Conference Chair:**

Prof. Sergey Belyaev, Prof. Alexander Razov,  
Prof. Alexander Volkov

**Conference topics** are covered any aspects of shape memory alloys studying from theory and modeling to the experimental study of structure, physical, mechanical, functional properties and applications. Oral as well as poster presentations will be given during the conference by leading researchers and young scientists (master and PhD students).

**The conference venue** is Saint Petersburg State University (site in Saint Petersburg suburb - Stariy Peterhof).

**Working language is Russian but the conference proceeding will be publish in English**

#### **Deadlines**

The First announcement: **15.01.2016**  
The second announcement: **01.04.2016**  
Abstract submission: **15.05.2016**  
Preliminary program: **01.06.2016**  
The third announcement: **01.06.2016**  
Conference fee payments: **01.08.2016**  
Paper submission: **01.08.2016**  
Final program: **20.08.2016**  
The fourth announcement: **20.08.2016**  
Conference dates: **20-23.09.2016**

**Book of abstracts** will be published before the conference.

**Conference Proceedings** will be published in English in "Materials Today: Proceedings" (Elsevier) or in Russian in "Deformation and failure of materials" after reviewing. Please pay attention to paper may be submitted once for publication in English or in Russian. Submission of paper for both "Materials Today: Proceedings" (Elsevier) or "Deformation and failure of materials" is prohibited.

**Accommodation:** Participants are strictly asked to book the hotel by yourselves. Information about the hotels located in Peterhof are given in file **accommodation**.

For participation in conference, please fill in the form and send it to Dr. Natalia Resnina (head of conference secretary) by e-mail: [resnat@mail.ru](mailto:resnat@mail.ru) **before January 15, 2016.**
